

Firmness

Sarah Suzor

*A man fit to stand
unmoved
at the mouth
of a cannon.*

When fighting all attempts
to soften,
suppose it is only the
determination that
differentiates
the purpose.

Here, standing among
the unobstructed morning rain,
there seems a limited supply
of provided materials.

Suavity

Sarah Suzor

Facilities combine
to yield the blessed man,
upright citizen
marching forward with
perfect gait.

Short men, like ponies
or small-wheeled vehicles,
move along without any
indication of character.

*

Small-wheeled vehicles
are used to reach destinations
and ponies,
good for 200 lbs. of freight.

Some things come from perpetuation.
She sits on her staircase.
She sits on her bed.
Something different though
in interaction
eye to eye to eye to eye.

Most of the time
there are no other
angles to look down
or up from.
